Proffnick1@gmail.com | +2348133191426 | amtelwebsitedesigner.com

Block 80/20 Area B Last Road, Nyanya, FCT Abuja, Nigeria

## PERSONAL STATEMENT

My primary goal in any setting is to offer solutions to problems using my skills and experience. I hold a Bachelor of Science degree in Mathematics from Nasarawa State University, Keffi, Nigeria, and have a combined over ten years of experience in web and mobile applications development.

I write primarily in JavaScript and PHP and possess significant experience in Python and various JavaScript frameworks. Personally, I am a technology enthusiast with a strong desire for learning, exploring emerging technologies, overcoming challenges, and adapting to rapid changes.

I speak and write fluently in English and three other local languages, including my dialect. I am self-motivated, empathetic, a good listener, hardworking, ambitious, and meticulous.

My strengths lie in a simplistic approach to problem-solving, multitasking, working long hours without supervision, being time-conscious, delivering efficiently under pressure, and being articulate. I draw inspiration from conducive environments and I'm driven by a sense of purpose. I am highly collaborative, imaginative, and team-spirited.
